**City Year is recruiting student success coaches for the 2023 term!**

*Join the City Year team and become part of a community that helps you grow by helping others grow.*

Providence, RI — City Year Providence is recruiting motivated young adults to join their team for the 2023 term! City Year is a proud member of the AmeriCorps national service network, and is supported by AmeriCorps, local school districts and private philanthropy.

City Year is looking for 17-25 year olds who are ready to be impacted while having an impact on the lives of others. The diverse teams of City Year AmeriCorps members provide support to students by supporting their social, emotional, and academic development and preparing them to become change makers in their communities.

This is a full time, paid position that runs from January 2023-June 2023. Chosen applicants will serve as mentors in one of six schools in the Providence School District. Benefits include a bi-weekly stipend, 100% employer paid health insurance, monetary education award, 100+ hours of professional development, and direct access to job opportunities.

As a City Year AmeriCorps member, your service will focus on coaching and mentoring elementary and middle school students. You will help students feel supported in their academic journey, learn social-emotional skills, and develop a positive connection to their school community. Chosen AmeriCorps members will also plan and monitor individual student progress and work with teachers on whole class instruction, breakout spaces and other in-class student assistance.

*"As a community, it's up to all of us to ensure our students have the best chance at becoming whoever and whatever they want to be. We need young leaders who are ready to step up and support the Providence schools community so students can continue to be empowered and strive to reach their dreams, regardless of what neighborhood they grew up in." - Jennie Johnson, Executive Director*

City Year contributes to a more joyful, just and equitable vision of public schools, where adults meet students to provide positive relationships and personalized learning environments that encourage them to thrive as creative thinkers and doers, practice lifelong learning skills, and persevere through challenges.

The application deadline is December 7th with an expected start date of January 9th, 2023. To apply, visit: <https://sforce.co/3g8Ojrm>

### **About City Year**

City Year helps students and schools succeed, while preparing the next generation of civically engaged leaders who can work across lines of difference. Diverse teams of City Year AmeriCorps members provide support to students, classrooms and the whole school. Schools that partner with City Year are up to two to three times more likely to improve in English and math assessments, and the more time students spend with AmeriCorps members, the more they improve on social, emotional and academic skills—skills that help students thrive in school and contribute to their community. A proud member of the AmeriCorps national service network, City Year is supported by AmeriCorps, local school districts and private philanthropy. City Year partners with public schools in 29 communities across the U.S. and through international affiliates in the U.K. and South Africa. Learn more at [cityyear.org](http://cityyear.org) or on Facebook, Twitter and LinkedIn.
